

GREENWOOD NEWLETTER

JANUARY 2012

Greenwood Town Elections – The only individuals who filed by close of business on Thursday December 22, 2011 (the filing deadline) were incumbents Brenda Tallent, Alan Pongratz and Willard Russell. Due to this fact the Town of Greenwood municipal election scheduled for Saturday January 21, 2012 has been cancelled.

Cash Payments – Cash payments for taxes, water, and sewer and/or trash bills **MUST** be made in Greenwood Town Hall. Please do not place cash payments in our outside drop box. Money orders and check payments may be placed in the outside drop box for payments to the Town.

Trash Pick-up – Greenwood ordinance C9-B states that “trash is required to be in a rigid metal or plastic container not to exceed 30 gallons with a filled weight not exceed 50 pounds”. We have noticed a number of residences that just put out bags of trash on the sidewalk every week. Due to a number of factors such as: animals, broken bags, and foot traffic please refrain from putting just the bags out, and see to it the bags are in metal or plastic containers.

Sump Pump Drainage – If your residence has a sump pump please be aware of where it drains. Your sump pump should not drain into the Town’s sewer line, it should drain into a storm drain.

Snow Removal – Not that we have this to worry about yet, but remember that the residents are responsible for snow removal from the sidewalks in front of their property.

Water Conservation Tips – In an effort to help the residents of Greenwood conserve water we will be including a monthly water conservation tip. The tip for January – “Winterize outdoor spigots when temperatures dip below freezing to prevent pipes from leaking or bursting”
